AGRSS Webinar Registration Link Available Today

The registration link for the Wednesday, September 23 webinar featuring the validation process is now available on the Auto Glass Replacement Safety Standards (AGRSS) Council Inc. website, www.agrсс.com. The webinar is available to all interested parties who pre-register for the event.

The webinar begins at 12 p.m. EDT (9 a.m. PDT) and is designed to answer questions regarding the validation process. This program will provide insight to assist companies in their preparation by discussing how the validation process will take place.

This webinar is made possible by Dow Automotive through their generous donation of financial and human resources. This program will be recorded and will be available for download on the AGRSS website at a later date.

The Auto Glass Replacement Safety Standards (AGRSS) Council Inc. is a not-for-profit organization dedicated to the safe replacement of auto glass. AGRSS was founded and is supported by companies in the auto glass replacement industry that keeps safe installation as their primary goal. The Council is also accredited by the American National Standards Institute (ANSI) – a standard development organization – and has developed North America’s only auto glass replacement standard, the AGRSS Standard (ANSI/AGRSS 002-2002). The AGRSS Standard addresses procedures, education and product performance.
