Mygrant's Jean Pero Elected AGRSS Council Treasurer

The Auto Glass Replacement Safety Standards Council (AGRSS) Inc.'s board of directors elected Jean Pero of Mygrant Glass to serve as treasurer during its annual meeting on March 10, 2009, in Charlottesville, Va.

Pero's term began April 1.

"AGRSS is the most important safety development to ever be put in place for the auto glass aftermarket and I am thrilled to be part of it," says Pero, who also serves as chair of the AGRSS membership committee.

Pero got her start in the industry in 1973, and has been with Mygrant for the last eight years.

The Auto Glass Replacement Safety Standards (AGRSS) Council Inc. is the not-for-profit organization dedicated to the safe replacement of auto glass. AGRSS was founded and is supported by companies in the auto glass replacement industry that keep safe installation as their primary goal. The Council is also accredited by the American National Standard Institute (ANSI) – a standard development organization – and has developed North America's only auto glass replacement standard, the AGRSS Standard (ANSI/AGRSS 002-2002). The AGRSS Standard addresses procedures, education and product performance.
